ATTN: [ ]

1. The Executive Committee, HITNIGH, claims to have received information from TPROACH that two HITNIGH emissaries, who were infiltrated to KMWAAHOQ in November 1950 and later fled to TPROACH, are soon to be executed by the TPROACHES.

2. Executive Committee spokesmen stated they have received this word from friendly KMWAAHOOS residing in TPROACH. They further state that these two elements are now being held by TPROACH authorities and are being tortured daily by Identity (1) authorities. HITNIGH has asked PEPRIME intervention on behalf of the two emissaries.

3. The emissaries are [ ] and [ ]

4. [ ] doubts that these two men are to be executed by the TPROACHES. They are known to have been in TPROACH for almost two years, and it is doubtful that the TPROACH authorities have decided at this time to take measures against them simply because they are emissaries of HITNIGH.

5. [ ] has informed the Executive Committee of this feeling and has also stated that it is probable that the two Subjects have done something else to draw the wrath of Ident. (1). While elaborating on this matter, [ ] stated he thought it would be well if HITNIGH would get word to the people within TPROACH that they will not be tainted through enforced collaboration with the TPROACHES, at least in the eyes of HITNIGH. He stated that the PEPRIDES as well as all KMWAAHOOS know what people are up against who flee into TPROACH and LCNLAKE and that in his judgment any KMWAAHOQ who refused to collaborate, especially with the TPROACHES, was asking for trouble with (1) authorities.

6. In [ ]'s opinion this whole thing is a put-up job. He views it as a move on the part of HITNIGH leaders to force the hand of HITNIGH with the TPROACHES. In any event, the matter is brought to the attention of higher authority.
